EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Clyde Bailey on February 17, 2004.

The application has been amended as follows:

IN The CLAIMS:

- Claim 18: Deleted claim 18.
- Claim 19: Deleted claim 19.
- Claim 20: Deleted claim 20.
- Claim 21: Deleted claim 21.

2. The following is an examiner's statement of reasons for allowance: the primary reason for the indication of the allowability of the claimed invention is the inclusion of the limitations, in the combination as currently claimed in the base claim 1, that the method of forming fiducial marks on a microlens array supportedly mounted on a first surface of a transparent medium includes the steps of forming at least one optical feature adjacent said microlens array at a predetermined location on said first surface of the transparent

medium, altering at least a portion of the second surface of the transparent medium opposite to the first surface, and directing a collimated beam of light onto said at least one optical feature, which focuses said collimated beam of light onto the second surface thereby forming a correspondingly precisely located at least one fiducial mark thereon opposite to said at least one optical feature. the combined limitations are not found taught or fairly suggested by the prior arts made of record, considered alone or in combination.

Claims 2-17 are allowed because they are directly/indirectly dependent from claim 1 above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hai C Pham whose telephone number is (571) 272-2260. The examiner can normally be reached on T-F (8:30-5:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen D. Meier can be reached on (751) 272-2149. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
